

A Message from the Pioneer...

Starting a newsletter is a huge milestone, a stepping stone to the path of continued growth and a success to celebrate with pride...

This is really a great initiative by the IC family and hope this helps to boost up and reinforce the IC-industry interactions

Let the dedication, enthusiasm and insight of the IC family inspire the society as a whole.

Best wishes from Dr. Merlin Thomas Ex-professor and Head of Industrial Chemistry Department

APROPOS OF IC

- The M.Sc. Industrial Chemistry course is a fine blend of chemical engineering and chemistry. The curriculum comprises of the core aspects of chemical engg., Chemistry, Industrial Management & Safety. In-plant training of six weeks after completion of second semester is a pre requisite for admission to the third semester of the course.
- The department evaluates the students by continuous assessment through classroom test, quizzes, seminars, home assignments and external examinations.
- Mini research project is a part of the curriculum, which sows and nurture research methodology in the students and sharpens their
