

Positions for Analysts
Mahalanobis National Crop Forecast Centre (MNCFC),
Department of Agriculture, Cooperation & Farmers' Welfare,
Pusa Campus, New Delhi

Mahalanobis National Crop Forecast Centre (MNCFC) of the Department of Agriculture, Cooperation & Farmers' Welfare (DAC&FW), Government of India is executing projects called **FASAL (Forecasting Agricultural output using Space, Agrometeorology and Land based observations)** and **CHAMAN (Coordinated Horticulture Assessment and Management using geoinformatics)**. The projects envisage use of Remote Sensing data for Crop Production Forecasting and Horticulture Assessment, respectively. DACFW has engaged M/s Randstad India Limited, Gurgaon (Service Provider) to provide **Analysts for the FASAL & CHAMAN** project to be posted at MNCFC, New Delhi and Regional Remote Sensing Centre of NRSC, Bangalore. The present period of engagement of Randstad India Ltd. **is upto March 31, 2017**. Even if a new agency is to be engaged after 01-04-2017, preference will be given for continuation of selected candidates, whose performance is found to be satisfactory and who are willing to continue with the new agency. Recruited Analysts will be employees of the Service Provider and would provide professional services to various organisations, mentioned above, on outsourcing basis. The jobs are purely temporary, initially for a period of 6 months, can be extended maximum upto project period (March 31, 2017), based on performance of the candidates.

For these services, Analysts shall be paid through the Service Provider @ Rs. 40000 per month (Rupees Forty Thousand Only) per Analyst. These figures of Rs. 40,000 shall be the consolidated amount which will be given in hand to these professionals. Only employee's contribution of EPF, if applicable, shall be deducted from this amount.
