Advt. No. WII/BH/MAH/JT/2019

**Engagement of Junior and Senior Research Fellow for the Project
'Understanding Population Dynamics, Space Use, Movement and Diet of
Leopards in Junnar Taluka, Maharashtra for Human Leopard Conflict
Mitigation'**

The Wildlife Institute of India (WII) is a premier autonomous Institute under the Ministry of Environment, Forest & Climate Change, Government of India, in the field of teaching, training and research. The WII wishes to engage following posts for the project '**Understanding Population Dynamics, Space Use, Movement and Diet of Leopards in Junnar Taluka, Maharashtra for Human Leopard Conflict Mitigation**' funded by Maharashtra Forest Department. Positions are for a period of **ONE YEAR** initially and may to be extended for three years based on the performance of the candidate. The proposed project expects to generate baseline information on spatio-temporal use of the Junnar Division and adjoining landscape by the leopards. The study is going to help in managing leopards in the Junnar Forest Division and will also try to evaluate the connectivity of the landscape for leopard movement.

The process of selection of Junior/Senior Research Fellow will include 01 hrs of written test followed by Interview on 25th March, 2019.
