ACKNOWLEDGMENT

The internship opportunity I had with satellite informatics pvt.ltd.was a great chance for learning and professional development. Therefore, I consider myself as a very luck individual as I was provide with an opportunity to be a part of it. I am also grateful for having a chance to meet so many wonderful people and professionals who led me though this internship period.

Bearing in mind previous, I am using this opportunity to express my deepest gratitude and special thanks to the **Mr. Sunil Patel**. Who in spite of being extra ordinarily busy with his duties, took time out to hear, guide and keep me on the correct path and allowing me to carry out my project at their esteemed organization and extending during the training.

I express my deepest thanks to **Mrs. Unnati Patel, Assistant Professor, ISTAR** and **Mr. Krunal Suthar, assistant Professor, ISTAR** for taking part in useful decision & giving necessary advices and guidance to make project easier. I choose this moment to acknowledge her contribution gratefully. I have to appreciate the guidance given by other supervisor as well as the panels especially in our project presentation that has improved our presentation skills thanks to their comment and advices.

Finally yet importantly, many thanks go to **Dr. Nirmal Kumar, Principle, ISTAR** for their careful and precious guidance which were extremely valuable for my study both theoretically and practically. I perceive as this opportunity as a big milestone in my career development. I will strive to use gained skills and knowledge in the best possible way, and I will continue to work on their improvement, in order to attain desired career objectives. Hope to continue cooperation with all of you in the future.

Sincerely,
Ankit Hemnani
