### Acknowledgement

We have taken efforts in this project. However, it would not have been possible without the kind support and help of many individuals and organization. We would like to extend our sincere thanks to all of them.

We would like to take the opportunity to express our humble gratitude to Mr. Krunal Suthar Sir and Mr. Aditya Patel, GIS engineer, Theodesh Consultants, under whom we executed this project. His constant guidance and willingness to share his vast knowledge made me understand this project and its Manifestations in great depths and helped me to complete the assigned tasks. We would like to thank all faculty members and staff of the Department of Geo informatics for their generous help in various ways for the completion of this thesis.

Finally, yet importantly, we would like to express my heartfelt thanks to my beloved parents for their blessings, my friends and classmates for their help and Wishes for the successful completion of this project.

Dharti Sevak
