ACKNOWLEDGEMENT

I would like to express my sincere gratitude to all those who have helped me throughout my journey in completing my Masters dissertation. First and foremost, I would like to thank TGIS Company, Ahmedabad, for providing me with the necessary resources and support to carry out my research.

I am deeply grateful to my mentor at TGIS, Mr. Abhinav Mehta, whose guidance and expertise were invaluable throughout the project. His insights, encouragement, and continuous feedback have been instrumental in shaping my research and refining my skills.

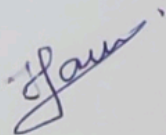

I am also grateful to Dr. Krunal Suthar, Head of the Geoinformatics department at ISTAR College, who has been my mentor throughout my academic journey. His academic support & insightful suggestion helped me to achieve the desired outcomes for my research.

I would also like to extend my gratitude to Dr. M.M.Raj , I/C Principal, ISTAR College for providing me with the necessary resources to carry out my research.

Last but not least, I would like to express my heartfelt gratitude to my family, especially my father, who supported me during the collection of GPS data by traveling. Their constant encouragement, love, and support have been the driving force behind my success.

Once again, I express my deepest appreciation to everyone who has contributed to the successful completion of my Masters dissertation.

Thanking you

Himani Nitishkumar Parmar
